

Doctors are very important to our society in Saving Lives, Extending Life, Humanitarian Work, Controlling Epidemics and Conducting Research. They are responsible for increased life expectancy and improved well-being in society. Hadhya's Media & JMG Communications proudly invites nominations for **"Telangana Health Care Awards, Vaidya Ratna - 2024"** a pioneering award event that recognize a unique doctor in every specialization.

An eminent panel of Judges will decide the final winners in each specialization from the nominations received after through scrutiny.
